

## Pupil Premium Impact Statement 2019-2020

### Comparing Pupil Premium Pupils and Non-Pupil Premium Pupils

Due to the COVID-19 Pandemic, which resulted in school closure from March 2020, and partial closure from June 2020, all national tests were cancelled. The following is therefore based on end of Y6 Teacher Assessment.

Y2 pupils did not return to school in June so no end of key stage assessments are available.

Too few Reception children returned to make valid data comparisons.
