Geographical skills and fieldwork

I can use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied

I can use simple compass directions (North, South, East and West) and locational and directional language e.g. near and far; left and right, to describe the location of features and routes on a map

I can use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key

I can use simple fieldwork and observational skills to study the geography of my school and its grounds and the key human and physical features of its surrounding environment

Locational knowledge

I can name and place the world's seven continents and five oceans

I can name, place and identify characteristics of the four countries and capital cities of the United Kingdom

I can name, locate and identify characteristics of the seas surrounding the United Kingdom

Human and physical geography

I can identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

I can use basic geographical vocabulary to refer to physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather

I can use basic geographical vocabulary to refer to human features, including: city, town, village, factory, farm, house, office, port, harbour and shop

Place knowledge

I can understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country
