Band 3 - Computing

Computers, Networks, Using Computer,  
E-Safety, Net Searching, Coding

Name \_\_\_\_\_

Class \_\_\_\_\_

## Computers

I know what input and output devices are and how they are used.

I can use a range of input and output devices efficiently.

## Networks

I understand that computer networks allow data to be transferred and shared.

I understand that the internet is a large network that allows computers to share information.

## Using Computer

I can make choices on which program is best for a given task.

## E-Safety

I know that I need to keep my password and personal information secure.

I can recognise acceptable and unacceptable behaviour online.

## Net Searching

I can use a search engine to find web pages.

I understand that not all websites are as reliable as others.

## Coding

I can produce a simple program that completes a given task.

I can explain how simple algorithms solve a given problem.
